REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE TWENTY SEVEN (27) LOCAL GOVERNMENT COUNCILS OF JIGAWA STATE

FOR THE YEAR ENDED 31ST DECEMBER 2018.

2.0 INTRODUCTION.

In compliance with the provisions of section 125 (2) of the Constitution of the Federal Republic of Nigeria 1999 (as amended) and section 92-99 of Jigawa State Local Government Law No. 7 of 2007 (as amended), I have examined the Accounts and Financial Statements of the twenty-seven (27) Local Government Councils of the State for the year ended 31ST December, 2018 in accordance with Public Finance (Control Management Act 1958), Model Financial Memoranda and Circular Guidance.

I have therefore certified the individual Accounts as correct subject to the various observations raised and contained in the Management and this Report, while the irregularities observed therein had been forwarded through Audit Local queries/ Inspection Reports to the respective Chief Accounting Officers for their responses, comments and further action.

2.1 GENERAL STATE OF THE ACCOUNTS AND RECORD KEEPING.

The pattern and manner of rendering accounting books and records as observed in most of the Local Government Councils were inadequate as highlighted below;

- (i) The main cashbooks and other Accounting books were not timely prepared.
- (ii) Bank Reconciliation Statements were in most cases not prepared by the Councils
- (iii) Most payment vouchers raised during the period were not having necessary documentary Evidences to justify payments said to have been made.
- (iv) Some contracts/items said to have been supplied or executed could not be traced by the Audit in some cases.
- (v) Advances for the execution of works granted to some officers of the Councils have not been retired. The Advance Accounts were for the previous years and most cases the officers were transferred or even not in the service
- (vi) Most payment vouchers presented were not checked by the Treasury checking Officers and / or the Internal Auditors.
- (vii) All the Local Government Councils were not maintaining Fixed assets and Investment Registers.
- (viii) Contrary to the policy of the present administration of Treasury Single Account (TSA) all the Councils in the State are maintaining at least five (5) different bank Accounts.

2.2 AUDIT INSPECTION REPORTS AND LOCAL QUERIES.

Audit Inspection reports and Local queries were issued to the Councils on the lapses mentioned above in accordance with relevant rules and regulations. During the year queries worth the sum of Four billion, Eight hundred and Eighty six million, Eight hundred and Thirty thousand, Four Hundred and Twenty Nine naira only (N4, 886, 830, 429. 00) were raised and issued to the Councils accordingly. The Councils responded to most of the queries issued to them of which we were able to resolve the sum of Four billion, Seven hundred and eighty five million, One hundred and sixty four thousand, Six hundred and fifty five Naira only (N4, 785,164,655.00) thus leaving a balance of One hundred one million, Six hundred and sixty five thousand, Seven hundred and Seventy four Naira only (N101, 665,774.00) which is yet to be cleared.

There is tremendous improvement from the part of the Councils on this issue especially when compared with the results of the previous years which is commendable. Summary of the queries is hereby given as below.

2.5 INVESTMENTS.

In our previous year Report, we were made to understand that, all the twenty seven (27) Local Government Councils of the State are having shares of Unity Bank PLC and Jigawa Saving and Loans Limited.

We give details in the Report of which nothing has been done by the Local Government Councils or their supervising Ministry as the Investments are not included in the Accounts.

2.5 RECOMMENDATIONS

1. There is need for the Councils to be preparing all the necessary books and records within the stipulated time i.e.(First quarter of the preceding year or 1st January to 31st March).
2. The amounts involved in Contracts/Works not executed are to be recovered and appropriate sanction taken on all concerned as contained in Chapter 39 of Model Financial Memoranda.
3. There is need for all the Councils to explore more ways of improving their Internally Generated Revenue rather than depending solely on Federal Allocations every month.
4. The Councils should also implement the Treasury single account System as adopted by both State and the Federal Government of Nigeria.
5. The Ministry for Local Government should as a matter of urgency trace all share Certificates of the two banks with a view of making Copies to the Councils so as to be reflected in their Financial Statements
6. All amounts, deducted from the benefits of the retired/Deceased officers should be remitted back to the concerned Local Government Councils.

2.6 CONCLUSION.

I wish to conclude by expressing my appreciation to the Chairmen and Treasurers of the twenty seven (27) Local Government Councils for the cooperation given to us in carrying out our Statutory Responsibilities.

My profound gratitude also goes to this Honourable House especially the Public Accounts Committee for their immeasurable support and good working relationship.

It is my sincere hope that, you will not hesitate to contact this office for further clarification and explanation you may require in connection with Audited Financial Statements and our reports.
