STATEMENT OF ACCOUNTING POLICIES FOR THE YEAR 2021
(IPSAS CASH)

Introduction

In line with the adoption of the International Public Sector Accounting Standards (IPSAS) in Nigeria, a Standardized Chart of Account (COA) alongside a set of General Purpose Financial Statements (GPFS) have been designed and introduced by FAAC for adoption by all tiers of Government in Nigeria.

The standardized COA and the GPFS is hereby adopted by Jigawa State Local Government Councils, to comply with FAAC directive to harmonize public sector accounts reporting in Nigeria.

In order to ensure an effective and efficient utilization of the COA and GPFS, the Accounting Policies have been developed as a set of guidelines to direct the Processes and Procedures relating to financial reporting in Jigawa State Local Government Council.

These policies shall form part of the universally agreed framework for financial reporting in Jigawa State Local Government Council.

IPSAS Cash Basis of Accounting

The IPSAS Cash Basis of Accounting recognizes transactions and events only when Cash (including Cash Equivalents) is received or paid by the MDAs. GPFS prepared under the IPSAS Cash Basis provide readers with information about the sources of Cash raised during the period, the purposes for which Cash was used and the Cash balances at the reporting date. The measurement focuses in the GPFS balances are Cash and changes during the period. Therefore, Bank Reconciliation Statement shall form integral part of periodic Reports in Jigawa State Local Government Council. Notes to the GPFS provide additional information about liabilities, including payables and borrowings, and non-cash assets that include receivables, investments and property, plant and equipment.

This Accounting Policy addresses the following fundamental accounting issues:

1. Definition of Accounting Terminologies
2. Recognition of Accounting Items
3. Measurement of Accounting Items
4. Treatment of Accounting Items

The Accounting Policy is subject to periodic reviews and updates as shall be deemed necessary by the Accountant-General of Jigawa State.

REPORT OF THE AUDITOR GENERAL ON THE ACCOUNTS OF THE TWENTY SEVEN (27) LOCAL GOVERNMENT COUNCILS OF JIGAWA STATE FOR THE YEAR ENDED 31ST DECEMBER 2021

INTRODUCTION

In compliance with the provision of section 125 (2) of the Constitution of the Federal Republic of Nigeria 1999 (as amended) and section n92-99 of Jigawa State Government Law No. of 2007 (as amended), I have examined the Accounts and Financial statements of Twenty seven (27) Local Government Councils of the state for the year ended 31st December 2021 in accordance with public Finance (Control Management act 1958), Model Financial Memoranda and Circular Guidance.

Therefore, the individual Accounts are certified as correct subject to the variations raised and contained in the Management and this Report, while the irregularities observed therein had been forwarded through Audit Local queries / Inspection Reports to the respective Chief Accounting Officers for their responses, comments and further action.

GENERAL STATE OF THE ACCOUNTS AND RECORD KEEPING

The pattern and manner of rendering accounting books and records as observed in most of the Local Government Councils were inadequate as highlighted below:

- (i) The main cashbook and other Accounting books were not timely prepared.
- (ii) Bank Reconciliation Statement were in most cases not prepared by the Councils
- (iii) Most payment Vouchers raised during the period were not having necessary documentary evidences to justify payments said to have made.
- (iv) Some contracts/items said to have been supplied or executed could not be traced by the Audit in many cases.
- (v) Most payment Vouchers presented was not checked by the Treasury checking officers and / or Internal Auditors.
- (vi) Advances for the execution of works granted to some officers of the Councils were for sometimes not retired.
- (vii) All Local Government Councils were not Maintaining Fixed assets and Investment registers.
- (viii) Contrary to the policy of the present administration of having only one bank account by all tiers of Government (Treasury Single Account), all the Councils in the state are maintaining at least four to five different bank Accounts.

AUDIT INSPECTION REPORTS AND LOCAL QUERIES

Audit inspection Reports and Local queries were issued to the councils on the lapses mentioned above, in accordance with relevant rules and regulation. During the year ended 31st December 2021, queries worth One Billion, Eight Hundred and Seventy Eight Million, Eight Hundred and Thirty Seven Thousand, One Hundred and Thirteen Naira Twenty Eight Kobo. (N1,878,837,113.28) only were raised and issued to the Local Government Councils accordingly.

The councils responded to same queries issued to them, while we were able to resolve the sum of One Billion Eight Hundred and Sixty Three Million, Two Hundred and Forty Two Thousand Five Hundred and Twenty Six Naira, Thirty Seven Kobo (N1,863,242,526.37) only, thus leaving a balance of Fifteen Million, Five Hundred and Ninety Four Thousand, Five Hundred and Eighty Six Naira, Ninety One Kobo (N15,594,586.91) only which is yet to be cleared. INVESTMENTS

In our previous Report, we were made to understand that, all the Twenty Seven (27) Local Government Councils of the state are having shares of Unity Bank PLC and Jigawa saving and Loans Limited.

We give details in the Report of which nothing has been done by the Local Government Councils or their supervising Ministry for Local Governments is not included in the Accounts.

RECOMMENDATIONS

1. There is need for the Councils to be preparing all necessary books and records within the stipulated time i.e. (First quarter of the preceding year or 1st January to 31st March).
2. The amounts involved in Contracts/works not executed are to be recovered and appropriate sanction be taken on all concerned as contained in Chapter 39 of Model Financial Memoranda.
3. There is need for all the Councils to explore more ways of improving their Internally Generated Revenue rather than depending solely on Federal Allocations every month.
4. The Councils should also implement the Treasury Single Account system as adopted by both state and the Federal Government of Nigeria.
5. The Ministry for Local Government should as a matter of urgency trace all share certificates of the two banks with a view of making Copies to the Councils so as to be reflected in their financial statements.
6. All amounts, deducted from the benefits of the retired/ deceased officers should be remitted back to the concerned Local Government Councils.

CONCLUSION

I wish to conclude by expressing my appreciation to the Chairmen and Treasurers of the Twenty Seven (27) Local Government Councils for the cooperation given to us in carrying out our Statutory Responsibilities. My profound gratitude also goes to this honorable house especially the public Accounts committee for their immeasurable support and good working relationship.
